## **Presentations:**

18th Annual Meeting – Instructional Course  
Arthroscopy Association of North America  
April 15 – 18, 1999, Vancouver, BC, Canada  
“Arthroscopic Treatment of Chondral Injuries:  
Options and Techniques”

University of Colorado Health Sciences Center  
Physical Therapy Department, Denver, Colorado  
March 23, 1999  
“Shoulder Injuries – Treatment Protocols”  
“Pathophysiology of Shoulder Injuries in Sports”

16th Edition Practicum in Athletic Training  
March 19 – 20, 1999 – Denver, Colorado  
“Management of Injury to the Throwing Athlete”

Advanced Surgeon Training  
Genzyme Tissue Repair – Cambridge, MA  
February 27, 1999  
“Autologous Chondrocyte Implantation”

The Great Floridian Triathlon Sports Medicine Symposium  
October, 1993 – Clermont, Florida  
“Meniscal Transplantation”  
“Knee Injuries in Runners”

Garden City Sports Medicine Symposium  
June, 1993 – Garden City, Kansas  
“Diagnosis and Treatment of Meniscal Injuries”

University of Wisconsin Sports Medicine Symposium  
May, 1993 – Madison, Wisconsin  
“Injuries to the Meniscus”  
“Diagnosis and Treatment of Patellofemoral Disease”

Symposium on Upper Extremity Injuries  
March, 1993 – Denver, Colorado  
“Injuries to the Acromioclavicular and Sternoclavicular Joints”  
“The Pathophysiology of Shoulder Injuries in the Throwing Athlete”

Orthopedic and Sports Medicine Forum in the Rockies  
March, 1993 – Denver, Colorado  
“Meniscal Transplantation”  
“Diagnosis and Treatment of Injuries to the Posterior Cruciate Ligament”

Grand Rounds, Loma Linda Medical Center  
November, 1992 – Loma Linda, California
